I hereby claim small entity status under 37 CFR 1.27 for purposes of paying reduced fees under Section 41(a) and (b) of Title 35, United States Code, to the Patent and Trademark Office with regard to the above-entitled invention as described in the specification. I have not assigned, granted, conveyed, or licensed, nor am I under any obligation, under contract or law to assign, grant, convey or license any rights in the invention to any person or entity who would not also qualify for small entity status either as a person, small business concern, or entity who would not also qualify for small entity status either as a person, small business concern, or nonprofit organization under 37 CFR 1.27. Each person, concern or organization to which I have assigned, granted, conveyed or licensed, or to which I am under an obligation under contract or law to assign, grant, convey, or license any rights in the invention is listed below:

- ☒ [x] no such person, concern or organization
☐ [] persons, concerns, or organizations listed below

I acknowledge the duty to file in this application notification of any change in status resulting in loss of entitlement to small entity status prior to paying, or at the time of paying, the earliest of the issue fee or any maintenance fee due after the date on which status as a small entity is no longer appropriate. (37 CFR 1.28(b)).

I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to above. I acknowledge the duty to disclose information which is material to the examination of this application in accordance with Title 37, Code of Federal Regulations, Section 1.56(a).

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful, false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful, false statements may jeopardize the validity of the application or any patent issued thereon.
